

driving the room module along the guide rail into engagement with the support module; and

attaching the room module to the support module.

65. A method according to Claim 64, wherein the step of attaching each room module to the support module comprises the steps of:

attaching one or more guide rails to the support module; locating the room module on the guide rail;

detaching the room module from the support module; and

driving the room module along the guide rail away from the support module.

A1

66. A kit for building a building structure, comprising:

a support module; and

a plurality of enclosed room modules, each room module being independently attachable to the support module such that it is cantilevered therefrom.
